

MICHIGAN STATE UNIVERSITY INDUSTRIAL ASSESSMENT CENTER

Michigan State University | Michigan Tech University | Henry Ford College

SIGN UP FOR AN ASSESSMENT TODAY

WHAT IS IT?

MSU's Industrial Assessment Center (IAC) helps small and medium sized US manufacturers & commercial building owners **save energy, improve productivity, and reduce waste** by providing **no-cost** technical assessments conducted by a team of students and faculty.

For more information visit
<http://iac.university>

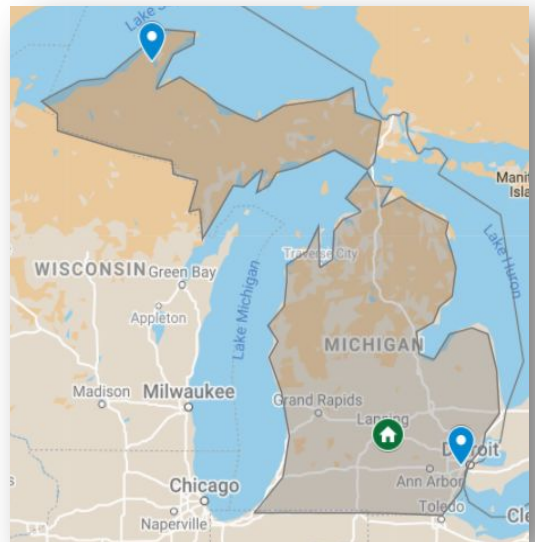

AM I ELIGIBLE?

Eligible **manufacturers** must meet the following criteria:

- Annual energy bills: \$100K-\$3.5M
- Annual sales under \$100M
- Fewer than 500 employees/site
- No in-house energy professional on staff
- Standard Industrial Codes (SIC) 20-39

Eligible **commercial buildings** must be:

- 100,000 sq. ft or less

NEXT STEPS

Visit us at <http://iac.msu.edu> to apply.

If your company is determined eligible, the next step is to complete pre-assessment meeting and provide utility data. We will then schedule one-day site visit. Based on this assessment, the MSU team will provide recommendations on energy and waste reduction within two months..

IAC clients are required to participate in a follow-up survey and must be willing to have their company's name listed as a program participant.
