

Industrial Assessment Center
U.S. DEPARTMENT OF ENERGY

Apply on Handshake!
Job # 9196341

Join the MSU Industrial Assessment Center!

Improve energy efficiency and sustainability across Michigan by performing energy assessment of commercial and industrial buildings!

Who are we looking for?

- ✔ Strong communicators and collaborators
- ✔ Open to learning new skills and good problem solvers
- ✔ Students looking for leadership and mentorship opportunities
- ✔ Diverse selection of majors
- ✔ Motivated to help buildings save energy and reduce cost, carbon emissions, and waste
- ✔ Web design/marketing

Why choose us?

- + Paid, hands on experience through school year and summer
- + Leadership, camaraderie and collaboration, and client relations experience
- + Learn technical energy auditing skills - data collection, analysis, and communication of findings
- + Apply for IAC Student Certificate of Achievement and receive additional trainings/certifications

⌚ Commitment

- Multi-semester preferred: Spring-Summer-Fall...
- 5-10 hrs/week during semester and ~40 hrs/week for Summer
- Report writing, attending assessments, training, teamwork, outreach, mentorship

What's Involved?

- Training in energy consuming systems and how to analyze utility bills and perform energy calculations
- Participate in sub-teams with different scopes of work
- Attend and lead assessments
- Work with clients
